

# Online Registration

## Household-Based Registration System

### Why Choose Demosphere?

Online Registration (OLR) is a necessity in today's youth sports world. Allowing parents to register their children online dramatically increases participation and reduces administrative time spent. The **Demosphere Online Registration System** puts tools at your fingertips to make this process as easy as possible.

#### Online Registration Capabilities:

- ▶ **User-Defined Fields**  
Through the comprehensive setup, administrators specify which information members should enter during the process.
- ▶ **Accept Credit Cards**  
Ability to collect payment by VISA, MasterCard, and American Express. Processing rates are industry best.
- ▶ **Complete Record Keeping**  
Full administrative interface to track registrations, payments, volunteers, team assignments, and more!
- ▶ **Communicate**  
Pass on crucial information with customized, built-in mass email tools.
- ▶ **Included Support**  
Our Support Team is at your disposal for questions and new features are constantly released.

#### Online Registration allows parents to register their children in 5 easy steps:

- 1 NEW OR RETURNING?**  
Enter new information or log in to retrieve an existing record.
- 2 PICK A PROGRAM.**  
Indicate what registration is taking place and answer related questions.
- 3 COMPLETE PARENT/CONTACT INFO.**  
Collect address, email, emergency contacts and even insurance information if desired.
- 4 VOLUNTEER AND DONATE.**  
Sign up as a volunteer and/or make a donation to the organization.
- 5 SIGN UP!**  
Pay online by VISA, MasterCard, American Express or by mailing a check. Start-to-finish, a 4 minute process.

"Parents registering online are making donations to our program. This has NEVER happened before!"

Annette Hennessey  
Registrar – Lynn Youth Soccer

## Household-Based Registration System

### Additional Features

#### Household-Based System

All family information is stored together. Parents can register multiple players at once and administrators can see family information in one place.

#### Unlimited Registration Events

Collect registration for seasons, special events, camps, etc. You decide the deadlines, prices, age groups, and more.

#### Industry Standard Security

All data is secured with industry standard 128-bit encryption provided by Thawte. Demosphere is fully PCI and COPPA compliant.

#### Manage Volunteers

Allow parents to sign up to coach, manage, or help with anything else your organization needs. Snack bar attendant, anyone?

#### Multiple Support Options

Our top-notch Support Team is at your disposal in a number of ways. An online knowledge base of our frequently asked questions is available, as is a step-by-step setup document. Additionally, our Team is available via email and phone to answer your questions. Finally, 24-hour support is offered for severe emergencies.

#### Your Players, Your Data

Your organization owns the rights to all information collected. Demosphere will not sell this information to any third parties.

#### Simple Exports

Export your data at any time for either internal use or external reporting/auditing.

#### Team Management

Once information is collected, use the included Age Group Commissioner (AGC) software to assign players to teams. Great for recreational programs!

#### Preserve History

All historical registration data is saved by the system. Discover trends, send custom marketing emails and more with data from years past.

#### Collect Donations

Allow parents to donate to your organization. Donations average approximately \$2.75 per registration.

#### Account for It

A built-in accounting system is included for financial reconciliation. Summaries by week, season, and payment type are possible. Administrators can also process refunds in seconds.

#### The Complete System

All the necessary tools to manage your organization's registration can be found in the Online Registration System. Utilized by over 300 organizations worldwide, Demosphere is ready to take your organization to the next level.

The screenshot shows the 'Player Registration' form for the Arlington Travel Soccer Club. The form is titled 'Player Registration' and includes the following fields:
