Age Groups For Tryouts:

**1993, 1994, 1995, 1996 & 1997 Birth Years
1998 Boys and Girls Evaluation**

Who is eligible and how are players

selected? Any youth player (AGE ELIGIBLE) in South Carolina may tryout for an ODP State Team in the above age groups. A pool of players will be chosen from these age groups at the 1st tryout. Players will be selected and invited to go on and compete at the Sub Regional Games (second tryout) in January after which a team and alternates will be selected for the SC ODP State Teams. These players will train on various dates and compete at Region III Camp in July of 2010. **The exception will be the 1998 Girls and 1998 Boys age groups which will compete in a Sub Regional in June 2010. ODP will have three more evaluation dates to add players to the 1998 age group.**

What are the ODP State Team player's responsibilities? Once chosen, a State ODP Team player is expected to represent South Carolina at all events and training scheduled by South Carolina Youth Soccer (SCYS) including US Youth Soccer, Region III Camp.

All players are selected on the basis of these tryouts, to attend the sub regionals, by experienced coaches who are recognized for their ability to work with players of exceptional skills.

The State Select/ODP program is a self-funded program and costs will be defined as we go through the tryouts. The first tryout fee is \$85.00. (a nonrefundable \$25.00 registration fee included.)

What do State ODP Tryouts, Sub Regional Games and the Region III Camp accomplish? The SC ODP Tryouts bring players from all over the state together to tryout and make the SCYS

player pool and advance to the Sub Regional Games in January. The Sub Regional allows South Carolina pools to compete with other states. And, complete the tryout selection for the SC ODP Teams and Alternates. Region III Camp in June/July brings together players in Region III - twelve state associations - and from this group Region III Pools are chosen. Region III ODP Team players may become candidates for the National Pool and compete at the highest level of competition.

1998 Boys and Girls

The 1998 birth year is the developmental age for ODP Region III. SC ODP will have scheduled training in the winter and spring and a Sub Regional for both Boys and Girls which is scheduled for June 10 – 13, 2010. A Sub Regional brings together players in Region III to participate in small sided games with ODP State Staff and Region III Staff observing and training players. The advantage of this Sub Regional is the competition between the States and the players experience what Region III Camp will be the following year. All players who register will be accepted in the 1998 age group for the training and sub regional. SC will add players in this age group ONLY (1998) until April 1. The 1998 age group will not go to a sub regional in January 2010. SC will have on the 1998 Calendar a tournament in April. All details will be sent to players via email. Look forward to seeing you at the December 6th date at Lexington Soccer Complex, Girls or the BB&T Soccer Complex, Boys. Registration 8:30 a.m.

ODP is a National US Youth Soccer Program which starts in the State and works with SCYS Clubs and Leagues.
