The referee is the judge of whether player equipment, casts, or protective or other assistant devices shall be allowed as prescribed in the FIFA Laws of the Game. In general, hard casts will be allowed only if they are (a) wrapped in their entirety with a half inch of foam or other cushioning material and (b) are, in the opinion of the referee, safe. At the first indication that a player with a cast or other protective device is using it in an unsafe manner, or to gain an advantage, the player shall be removed from the match. The player may not return for the duration of the match or until the cast or device has been removed.

Should the referee in any match determine that the equipment worn by a player does not meet the FIFA criteria as documented for non-dangerous player equipment, and prevents the player from match participation, that referee shall be required to submit a written report to the league administrator detailing the reason (s) for the decision.

20. Fields:

Each club is required to provide, without restriction, a minimum of two fields, appropriately sized based on the below chart:

4:1 ratio – usage of one field per 4 teams registered

Example: If a club submits 17/16/15/14 and 13U teams, then two fields must be reserved for PMSL matches. 15U and up will use one field and the other field for 13U/14U. PMSL would prefer the fields be at the same location

The fields must be available for neutral site matches.

SC Youth Soccer requires teams to play a minimum of three (3) scheduled Classic I league games to qualify for the US Youth Soccer Presidents State Cup presented by Publix.

Any club with two or more teams in any division with a qualifying event (State Cup/PMC) are required to have their teams face off before the season mid-point to avoid any impropriety or appearance of manipulating the standings in the division in their favor. To qualify for the Publix President's Medal Cup your team must be in the top four teams in the EAST DIVISION or in the top four teams in the WEST DIVISION in the final standings at the end of the season. The SCYS league administrator will decide the division for each team.

14 teams - Two groups of seven that play each other twice for a total of twelve games.

Top four teams from each division will advance to the Publix President's Medal Cup and will be placed as follows for Cup play:

Group B is #1 & #3 (West) and #2 & #4 (East)

b. The Publix Open & Rec Cup is open to any non -qualifying PMSL I team, all PMSL II teams and all recreation teams.

Divisions and age groups will be determined based on the number of applications that are received.

25. Unscheduled Weekends (BYE):

Each team will be allowed three (3) unscheduled (BYE) weekends. Tournament weekends are included as unscheduled weekends not in addition to allowed three. These dates must be indicated on the Application to Play Registration Form and may NOT be changed.

26. Qualifying Matches:

Qualifying matches are those scheduled league matches against teams in your own age division. PMSL will schedule you to play all teams within your division at least once. Any qualifying match that is abandoned before halftime due to weather or any other unforeseen occurrence (with the exception below) will be replayed in its entirety. Any match that is abandoned after the first half is complete will be considered a complete game (with the following exception below).

Exception: Any inappropriate behavior by either team causing the referee to abandon the match. Any team or coach that causes a match to be abandoned by their behavior may have the match result entered as a forfeit against the offending team regardless of the score. If both teams' or coaches' behavior causes a match to be abandoned, then no points will be awarded to either team. The decision to accept, replay or forfeit the match will be made by the League Administrator. At the sole discretion of the referee, if the head coach is sent off, another qualified adult (team manager with card or coach from the same club with card) may be allowed to finish coaching a match that would otherwise be abandoned.

Only qualifying matches will be used to determine league standings.

27. Non-Qualifying Matches:

The PMSL may schedule non-qualifying matches with teams outside your age division to complete your schedule. Teams playing up will follow the older teams designated referee pay scale and duration of the match. Abandoned or cancelled non-qualifying matches will not be rescheduled or replayed.

Non-qualifying matches WILL NOT be used to determine league standings.

Red cards or ejections received in a non-qualifying match are required to be reported.

28. Grace Periods:

Teams not ready to play within 10 minutes after the scheduled start time of any match shall forfeit the match.

29. Forfeit:

Once the schedule has been issued, teams that do not play their scheduled games, REGARDLESS OF WHEN THE TEAM INFORMS THE PMSL STATE ADMINISTRATOR OF ITS INTENT TO NOT PLAY, will be invoiced for their \$500.00 team performance bond fee PLUS the entire referee fees for that match. The team will be responsible for another \$500.00 team performance bond fee as deemed necessary.

If a team refuses to play their scheduled matches with no call to the PMSL Administrator, the team will incur penalties, fines and could be suspended from league play.

The League Administrator has the option to waive or alter the fee on a case-by-case basis. If a team contacts the PMSL Administrator by phone and in writing, then it increases that team's chances of paying less monetary penalties. THERE IS NO GUARANTEE THAT CANCELING GAMES EARLY WILL WAIVE OR ALTER YOUR PENALTY. Fines and penalties can be appealed to the League Administrator.

A team that forfeits a game shall have their score recorded as a 0-3 loss with no points, thereby awarding the other team played a 3-0 win and 3 points. The forfeiting team will not receive credit for the game nor will it count for the minimum of three (3) games.

Any team having forfeited two (2) or more games during their current cup season shall be reviewed by the SC Youth Soccer Board of Directors and may be deemed ineligible for cup play.

30. Team Cancellation of Scheduled Matches:

All matches must be played as scheduled. Teams choosing to cancel/not appear for a scheduled match will be invoiced for their team's performance bond, also forfeit the match and pay all appropriate PMSL fees.

31. Weather Related Cancellations:

Canceling games for severe weather is appropriate (lightning, player safety, etc.) but club's cancellation of games due to minimal rain is not acceptable. The Club President or his/her PMSL club designee must contact the PMSL Administrator immediately if the fields are closed due to weather. Contact the appropriate teams that are scheduled to play on your fields. In case of weather related cancellations non-qualified matches may be replaced with qualified matches. Rescheduling of matches is the sole discretion of the league administrator.

32. Field Related Cancellations within 24 hours of Game Day:

This may occur in emergencies only. The PMSL discourages the submission of fields for usage that could result in consistent or unnecessary cancellations of games. If field related cancellations should occur, the host club must contact the PMSL League

Administrator and the local referee assignor IMMEDIATELY. A host club that fails to adequately move games could result in payment of referee fees, removal of future home games, etc. at the discretion of the League Administrator.

Rescheduling of matches is the sole discretion of the league administrator.

33. Home Teams:

The team listed first in each pairing on the schedule is the home team. The home team shall change jerseys and/or socks if, in the opinion of the referee, there is a color conflict.

34. Game Ball (Required):

It is the responsibility of both teams to provide a playable game ball to the referee at the beginning of each match. U13-19 uses a size five (5) game ball.

35. Length of Match: (No overtime)

<u>Age Division</u>	<u>Minutes/half</u>	<u>Half-time</u>	<u>Ball Size</u>	<u>Maximum Roster Size</u>	<u>Min # of Players To Start/Complete Game</u>
17/18/19U	45 minutes	10 minutes	5	18	7
15/16U	40 minutes	10minutes	5	18	7

- Prior to a throw-in your favor
- Prior to a goal kick by either team
- After a goal by either team
- After any injury by either team when the referee stops play (unlimited substitutions)
- At the beginning of the second half
- When the referee stops play to caution a player, only the cautioned player may be substituted prior to the re-start of the game.

39. Reporting Your Scores:

Game reports must be entered online. The person completing the Game Report online will need to enter the score and complete the referee survey; all other information is for your team use.

Please note: There is a Tuesday morning 9:00 am deadline to complete Game Reports.

At the end of the Season there is a Sunday evening 9:00pm deadline to enter Game Reports, so the US Youth Soccer President State Cup presented by Publix scheduling can be completed.

40. League Standings:

Only qualifying matches are used to determine a team’s league standings. Three (3) points are awarded for a win, one (1) point for a tie, and zero (0) for a loss. A forfeit will be treated as a loss. A team ready to play whose competitor forfeits shall be awarded a win (3 points). No points will be allowed for any team forfeiting (0 points). In any case, where both teams forfeit, 0 points will be awarded. Wins, losses and forfeits will be determined by the League. The team with the highest point percentage will be ranked number 1 and the second highest points percentage will be ranked number 2 in league standings, and so on.

At season’s end, teams will be ranked within the league by their point percentage.

Example: A team plays 10 games with a record of 5-3-2. Five wins for 15 points, three losses for 0 points, and two ties for 2 points = 17 total points, or a .567 points percentage.

17 total points will be divided by the total maximum points 30.

(10 games x 3points = 30 pts.) Winning percentage = .567

In the case of ties within a division the following tie breaking procedures will be used for qualifying matches only:

1. Winner of head to head competition. (This criterion is not used if more than two teams are tied. See below.)
2. Most wins.
3. Team with greatest net goal difference (NGD) which is computed as “goals for” minus “goals against” with a maximum of 3 NGD per game.
4. Team with the least goals against
5. Team with the most goals (maximum of 3 goals per game).
6. Coin toss.

More than two teams tied:

If more than (2) teams are tied, the sequence will start at 40.2 and will be followed until a team is eliminated. Once one team is eliminated, the remaining teams will then restart the sequence at 40.2 above, until the tie is broken.

41. PMSL Discipline and Appeals:

All matters involving discipline and appeals within the PMSL shall be in accordance with SC Youth Soccer Discipline and Appeals Policy/Procedures.

All protest or appeals shall be filed in writing to the PMSL administrator within seventy-two (72) hours of the game or circumstance that is being challenged. The League Administrator shall make a ruling on the matter within ten (10) days of receipt of written documentation.

All Protest and Appeals filed must be accompanied by a certified check in the amount of \$250.00 made out to the PMSL.

Judgment decisions of the Referee are not subject to appeal or protest.
